Individuals at their precinct caucuses can submit resolutions. When a majority of the caucus adopts a resolution, it advances to the Organizing Unit convention for consideration to send to the State Platform, Issues, and Legislative Affairs Committee. Resolutions having support from at least five Organizing Units drawn from at least two Congressional Districts may be selected for consideration at the State Convention (for inclusion in the DFL Ongoing Platform or Action Agenda).

**BE IT RESOLVED THAT:**     *(Please print or attach your resolution here. Be concise and use everyday language.)*

The DFL supports transitioning the state's, Met Council's, and state contracted fleets of vehicles to electric vehicles and invest in statewide infrastructure to support the use of electric vehicles.

*You may add a brief explanation or your two or three strongest supportive points here.*

Minnesota has made progress in transitioning from coal and natural gas to clean, renewable energy. While this has made energy cleaner for some areas, like using solar and wind for electricity, some sectors have not gained as much ground, like moving away from gasoline. Making investments in electric vehicle infrastructure and having the state lead by example will allow us to expand the use of clean, renewable energy.
