Individuals at their precinct caucuses can submit resolutions. When a majority of the caucus adopts a resolution, it advances to the Organizing Unit convention for consideration to send to the State Platform, Issues, and Legislative Affairs Committee. Resolutions having support from at least five Organizing Units drawn from at least two Congressional Districts may be selected for consideration at the State Convention (for inclusion in the DFL Ongoing Platform or Action Agenda).

**BE IT RESOLVED THAT:**     *(Please print or attach your resolution here. Be concise and use everyday language.)*

In pursuit of a single-payer health care system in which every person gets the care they need, when they need it, the DFL supports making MinnesotaCare available to anyone who wants it, while contracting directly with health care providers like nurses, doctors, and clinics, to provide care, and bypassing insurance companies or corporate healthcare interests.

*You may add a brief explanation or your two or three strongest supportive points here.*

A single-payer system must be our ultimate goal if we want to ensure people get the care they need when they need it. While we can't expect much help from a Republican-controlled Congress, Minnesota can act now to create a low-cost, accessible option for all our families. MinnesotaCare buy-in and contracting directly with providers will not only increase access to affordable, quality coverage, but it will also provide the infrastructure necessary to make a single-payer system a reality.
